

Home Loan Specialists, 36139 Schoolcraft Rd. Livonia MI 48152 Phone: 734-524-0400

The Home Loan Specialists office is at 36139 Schoolcraft, Livonia, MI 48152. The Google Map location is a little off because of the number of office in the complex but is close.

We are on the eastbound (south) side of the I-96 service drive (AKA Schoolcraft Rd) and just east of Levan. The entrance to the office building is directly across from the entrance onto eastbound I-96 and right near a 40 MPH Speed Limit sign.

Turn right into the drive and proceed to the rear of the building. The entrance in the corner of the building and our company name is on the exterior window.
